

cost trillions of dollars to taxpayers for years to come.

With over 2,000 pages of text, Speaker PELOSI is conducting closed-door negotiations, bypassing the Congressional Budget Office report and ramming through this legislation without full transparency on the true cost and economic impact this would have for the American people.

Americans are rejecting socialism at every corner. The bottom line: It is a loser.

BLACK DAY FOR AMERICA

(Mr. GROTHMAN asked and was given permission to address the House for 1 minute.)

Mr. GROTHMAN. Madam Speaker, this is a potentially very black day for America. I want to emphasize some things that I think are very significant that haven't received enough attention.

We are paying for the government to care for 3- and 4-year-olds. Traditionally, in America, the raising of the children is the responsibility of the parents. I know there are people—Marxists—who believe that the raising of children is the responsibility of the state, but this is a sad day for America. The Federal Government—against the Constitution, by the way—is going to weigh in and say taking care of 3-year-olds is the responsibility of government—not mom, not dad, not grandma and grandpa, the government.

The next thing is a big push toward encouraging illegal immigration. In this bill, we are paying for free college for people who are here illegally, something that the American middle class doesn't get. American middle-class kids, they are going 30 or 40 grand in debt, and we are giving free college to people who come here illegally. What a shame.

I guess it matches the free healthcare while the average American is sitting there looking at a \$10,000 deductible.

HONORING JAMES P. BURIK

(Mr. GRIFFITH asked and was given permission to address the House for 1 minute.)

Mr. GRIFFITH. Madam Speaker, I offer these remarks in honor of Naval Aircrewman 1st Class James "Jimmy" P. Buriak, who died on August 31, 2021, at the age of 31.

Mr. Buriak, of Salem, Virginia, was one of five sailors who died when their helicopter from the USS *Abraham Lincoln* crashed into the sea off the coast of southern California.

Mr. Buriak was born on May 9, 1990, to Jim and Carol Buriak in Salem. Jimmy graduated from Salem High School and Roanoke College. Jimmy joined the Navy in 2017.

During the last year of his life, Jimmy was honored for rescuing a man who was caught in a rip current off Guam's Gun Beach.

Mr. Buriak's thoughtful character far exceeded the parameters of his job. He always went out of his way to help those in need and to go the extra mile that others weren't willing to do. Jimmy was a great young man.

His wife, Megan, is starting the AWS1 James Buriak Foundation to continue honoring his legacy. The foundation will seek to improve financial shortcomings for Gold Star families with small children.

Mr. Buriak is survived by his wife, Megan; his very young son, Caulder; as well as his parents, Jim and Carol Buriak; his sister, Laura; and his brother-in-law, Erik Zickefoose.

Madam Speaker, I offer Jimmy's entire family my condolences on their loss. He was a great young man.

Madam Speaker, as an aside, Jimmy used to play water polo with me in the summertime.

TODAY IS A BRIGHT DAY

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Madam Speaker, I stand to refute with a spirit of joy this morning one of my friends on the other side who called this day a "black day."

I wonder what that interpretation means, but I see a sense of great future for America. And I wonder how many of the 3- and 4-year-olds in the future will wind up in the Office of the President of the United States because we in America and we as Democrats gave them an early head start.

If any of my colleagues have ever visited childcare and pre-K and seen the brightness of our children, they know that what Democrats are doing today creates not a blackness but a brightness.

Today is going to be a bright day in America as Democrats govern and lead and make a difference in this Nation and in this world. I am glad to stand with the American people and families as we create for them a very bright day.

CRISIS AT THE BORDER

(Mr. BIGGS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BIGGS. Madam Speaker, while the border is porous and 200,000 people are being apprehended every month, another 100,000 are illegally entering who we don't know where they are coming from. They are not caught; they are gotaways this administration is going to offer \$450,000.

What is interesting about that is the President himself said he didn't know about it. He has had to walk that back, hasn't he?

So there will be \$450,000 offered to a certain segment of illegal migrants. Not only that, we will continue to see opioids, fentanyl. We will see addi-

tional drugs and human trafficking continue across our border until we secure our border. I am hoping this administration will make that a priority rather than ignoring it and encouraging people to come across our border.

MOTION TO ADJOURN

Mr. BIGGS. Madam Speaker, I move that the House do now adjourn.

The SPEAKER pro tempore. The question is on the motion to adjourn offered by the gentleman from Arizona (Mr. BIGGS).

The question was taken; and the Speaker pro tempore announced that the yeas appeared to have it.

Mr. BIGGS. Madam Speaker, on that I demand the yeas and nays.

The SPEAKER pro tempore. Pursuant to section 3(s) of House Resolution 8, the yeas and nays are ordered.

The vote was taken by electronic device, and there were—yeas 207, nays 219, not voting 7, as follows:

PARLIAMENTARY INQUIRIES

Mr. BURGESS (during the vote). Mr. Speaker, I ask to be recognized for a parliamentary inquiry.

The SPEAKER pro tempore (Mr. KAHELE). The gentleman will state his parliamentary inquiry.

Mr. BURGESS. Mr. Speaker, my understanding is the longest recorded vote in the House in the past has been 2 hours and 50 minutes. This motion has been open a similar amount of time.

May I ask how long you intend to keep the House suspended with this vote?

The SPEAKER pro tempore. The Chair will not serve as a historian, but the minimum for this vote is 15 minutes.

Mr. BURGESS. Mr. Speaker, I have a further parliamentary inquiry.

The SPEAKER pro tempore. The gentleman will state his parliamentary inquiry.

Mr. BURGESS. With one vacancy in the House of Representatives, 217 votes represents a clear majority on your side. The clear majority means that the vote will not change regardless of who else shows up. It is time to close this vote.

The SPEAKER pro tempore. The gentleman has not stated a parliamentary inquiry.

Mr. BURGESS. Mr. Speaker, I have a parliamentary inquiry.

The SPEAKER pro tempore. The gentleman will state his parliamentary inquiry.

Mr. BURGESS. Mr. Speaker, is it possible to defeat this motion currently with 217 votes up on the board?

The SPEAKER pro tempore. The threshold for rejecting a motion to adjourn is a majority vote with a quorum being present.

Mr. BURGESS. And with the full number of the House being 434, this is a majority vote. It is anatomically impossible to defeat this with more than 217 votes. They don't exist.

The SPEAKER pro tempore. The gentleman has not stated a parliamentary inquiry.

Mr. BURGESS. Mr. Speaker, I would just submit, anyone who is up watching C-SPAN at this hour wonders what in the heck the House is doing right now. All the problems we have to solve, and this is the best we can muster.

The SPEAKER pro tempore. The gentleman has not been recognized for debate.

□ 1515

Messrs. FOSTER, PAPPAS, KEATING, CUELLAR, SCHIFF, Ms. WILLIAMS of Georgia, Mr. SHERMAN, Mrs. LURIA, Mr. TORRES of New York, Ms. STEVENS, Messrs. CRIST and MFUME changed their vote from “yea” to “nay.”

Ms. HERRELL, Messrs. GONZALEZ of Ohio, ROGERS of Kentucky, and Ms. HERRERA BEUTLER changed their vote from “nay” to “yea.”

So the motion to adjourn was rejected.

The result of the vote was announced as above recorded.

PROVIDING FOR CONSIDERATION OF H.R. 5376, BUILD BACK BETTER ACT; AND FOR OTHER PURPOSES

Mr. MCGOVERN. Madam Speaker, by direction of the Committee on Rules, I call up House Resolution 774 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 774

Resolved, That upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 5376) to provide for reconciliation pursuant to title II of S. Con. Res. 14. All points of order against consideration of the bill are waived. An amendment in the nature of a substitute consisting of the text of Rules Committee Print 117-18, modified by the amendment printed in the report of the Committee on Rules accompanying this resolution, shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) two hours of debate equally divided among and controlled by the chair and ranking minority member of the Committee on the Budget or their respective designees and the chair and ranking minority member of the Committee on Ways and Means or their respective designees; and (2) one motion to recommit.

SEC. 2. House Resolution 188, agreed to March 8, 2021 (as most recently amended by House Resolution 716, agreed to October 12, 2021), is amended by striking “November 18, 2021” each place it appears and inserting (in each instance) “December 3, 2021”.

POINT OF ORDER

Mr. SMITH of Missouri. Madam Speaker, I raise a point of order against consideration of the resolution because the resolution waives all points of order against consideration of H.R. 5376.

The resolution is therefore in violation of section 426 of the Unfunded Mandates Reform Act of 1995 prohibiting the consideration of a rule waiving the application of section 425 of the Unfunded Mandates Reform Act of 1995.

The SPEAKER pro tempore (Ms. DEGETTE). The gentleman from Missouri makes a point of order that the resolution violates section 426(a) of the Congressional Budget Act of 1974.
